

# VALENTINE FOR PRESIDENT

**A NATIONWIDE DEAL**  
that gives voters what each wants most by  
compromising on issues they care less about.

**Allows left and right voters and nonprofits**  
to **COMBINE** their **POWER**  
to get what they can't get alone.

**ADDS MODERN SOLUTIONS**  
that our current Constitution lacks.  
Keeps 90%, foundations and rights intact.

**ALL ELSE has FAILED**  
If candidates, nonprofits, and marches could  
solve our problems, they would have by now.

**POLLING** will push politicians to ratify it  
or face defeat at the polls.

**INCLUDES both LEFT and RIGHT**  
in one piece of national legislation.

**Focuses combined power on**  
**A SINGLE COMMON GOAL,**  
**RATIFICATION.**

**Uses our amendments clause to let**  
**VOTERS DICTATE SOLUTIONS**  
to politicians and big business.

**Removes big money's influence.**  
**Streamlines, modernizes government.**  
**Helps citizens comply and improve.**

The **LARGEST** political **SITE/APP**  
has bite-sized info shareable in 3 clicks.

# Valentine

VALENTINE was raised near the Shenandoah River and the Blue Ridge Mountains on a northern Virginia farm like Jefferson, Madison and Mason. An A-student, he skipped 10th grade then attended The University of Virginia where he began research to recodify the laws of the United States. After graduating in 3 years, he simultaneously ran precinct operations for both the John Warner for US Senate and the Frank Wolf for US Congress campaigns. He is a nonpartisan candidate for President in 2024.

In the early 1980s he used his NY Elite modeling credentials to pay for a trip around the world researching governments. He then furthered his graduate studies at UCLA, UNLV and UM. In all Valentine spent 50,000 hours over 50 years finding effective solutions to America's social, political and governmental problems, culminating in The Valentine Constitution. He is the author of the [The Valentine Constitution](#) book, an exposition of his constitution and vision for America. Valentine is an American philanthropist, philosopher, poet, author, lyricist, singer, songwriter, music producer, actor, screenwriter, movie producer and director.

VALENTINE wrote and recorded 50 Showtunes in Las Vegas along with 2 musical screenplays and 3 [SongBooks](#), synopsis narrations with song samples. He wrote, produced and recorded 50 [Country Pop](#) songs on Music Row in Nashville, 12 of which are political with [music videos](#), [ValentineSongs.com](#). He authored the books [Valentine's Life & Times vol 5 Sportscar Stories](#), [Lyrics by Valentine](#) and [Poems by Valentine](#). He has written over 20 screenplays, [ValentineScreenplays.com](#), available as [ScreenBooks](#) for casual reading: [Collapse](#), [Angel's Playground](#), [Played](#), [UnEarthed](#), [Romantic Schemer](#), [All's Not Fair](#); and [Esperance](#), a 1930s novel penned by an unknown writer.

VALENTINE wrote, produced, directed and stars in the feature length motion pictures "[Romantic Schemer](#)" and "[All's Not Fair in Love and War](#)" both shot on film in Miami, and the documentary [Paparazzi](#).
